Each unit follows a simple & effective weekly routine

COMPARATIVE ADJECTIVES

Second Grade Grammar
L.2.1

Monday

- Minilesson

*Each day's lesson & activity is designed to take 15 minutes.

1. Project the teaching PowerPoint. Introduce the weekly grammar skill. Read the lesson slides with students.
2. Follow the minilesson with whole group practice. For the first practice slide, up to 32 students can play. Call on a student to read the first word on the list and tell if it is an adjective that compares or not. The next student slides a check or X to the word. There are two other practice slides to help students practice with comparative adjectives. These can be used to replace the first practice or in addition to the first practice. One of the practice activities can also be used on another day to help students review the skill.
3. Students work with a partner for the partner practice slide. Students use a journal, scrap paper, or whiteboards for the writing portion of the slide.

Tuesday

- Practice worksheet

1. Review the minilesson slides if needed. Project the Talk About It slide for students to review further.

2. Students complete the practice worksheet.

Wednesday

- Task Card Center

Students continue practice using task cards. Use the cards as a literacy center or place them around the room for students to "roam the room" to complete with a partner. Another option is to spread the cards onto desks. Students complete the card and pass it on to the next student. Students can complete the cards in any order.
