## COMPOUND WORDS Second Grade Grammar L.2.4.D

### Monday

- Minilesson

\*Each day's lesson & activity is designed to take 15 minutes.

1. Project the teaching PowerPoint. Introduce the weekly grammar skill. Read the lesson slides with students.
2. Follow the minilesson with whole group practice. For the first practice slide, call on a student to read the first word on the list and tell if it is a compound word or not. The next student slides a check or X to the word. The additional practice slides were designed to help students use the meaning of the two base words to determine the meaning of the compound word. They can be throughout the week to reinforce the skill.
3. Students work with a partner for the partner practice slide. Students use a journal, scrap paper, or whiteboards for the writing portion of the slide.

### Tuesday

- Practice worksheet

1. Review the minilesson slides if needed. Project the Talk About It slide for students to review further.
2. Students complete the practice worksheet.

### Wednesday

- Task Card Center

Students continue practice using task cards. Use the cards as a literacy center or place them around the room for students to "roam the room" to complete with a partner. Another option is to spread the cards onto desks.
