# Daily Grammar Practice

Each unit follows a simple & effective weekly routine

## CAPITALIZATION Second Grade Grammar L2.2

Monday

- Minilesson

\*Each day's lesson & activity is designed to take 15 minutes.

1. Project the teaching PowerPoint. Introduce the weekly grammar skill. Read the lesson slides with students.
2. Follow the minilesson with whole group practice. For the first practice slide, up to 32 students can play. Call on a student to read the first word on the list and tell if it is capitalized. The next student slides a check or X to the word. There is one other practice slide to help students practice with capitalization. This can be used to replace the first practice or in addition to the first practice. One of the practice activities can also be used on another day to help students review the skill.
3. Students work with a partner for the partner practice slide. Students use a journal, scrap paper, or whiteboards for the writing portion of the slide.

Tuesday

- Practice worksheet

1. Review the minilesson slides if needed. Project the Talk About It slide for students to review further.

2. Students complete the practice worksheet.

Wednesday

- Task Card

- Students continue practice using task cards. Use the cards as a literacy center or place them around the room for students to "roam the room" to complete with a partner. Another option is to spread the cards onto desks.
