HOW TO USE THE DIGITAL VERSION

It will look like this.
Click the blue 'Make a copy' button.

1. You will first need a Google account. The download includes a PDF with step-by-step directions and a link page. When you click the link you will automatically be asked to make a copy of the file to save to your Drive. Open your Drive to see the copy inside the folder titled, Tpt Purchases.

2. Customize the cover by typing in the text boxes.

Students type their name, their grade level and year on the cover by deleting the existing text and typing their own.

The worksheet features a green caterpillar character with glasses reading a book. Below the caterpillar are several colorful books. The text boxes are color-coded: light blue for the first two lines, pink for the third, and orange for the fourth.

3. Type on the pages. Students delete the existing text that says, "Type here", then type their own text.

The worksheet has a purple border and a photo of four smiling children in the top left corner. Below the photo are five empty square frames with decorative corners. Each frame has the text "Type here" written below it. A pink arrow points to the top-right frame.

4. Add photos. To add pictures to the pages, select "insert image" from the toolbar and select the picture you wish to use. Pictures will need to be previously saved to a folder on your computer. I recommend uploading a class picture and several pictures you have taken throughout the year to a folder that you "share" with your students in your class Google Drive.
