Teacher notes

**Hundreds Tens Ones**

1 2 3  
8 7 6 5 4

1 2 3  
8 7 6 5 4

1 2 3  
8 7 6 5 4

**Decomposing Numbers**

To play:

1. Spin the spinner once or twice to create a 2 or 3-digit number.
2. Write the number in the place value frame on your paper.
3. Spin again to create your second number and write it on your paper.
4. Write both numbers in expanded form.
5. Add the values of the digits and write the sum.

**Hundreds Tens Ones**

1 2  
4

1 2  
4 3

**Decomposing Numbers**

Adding and subtracting values of numbers to 1000 using expanded form

**Decompose numbers**
