# HOW TO USE THE SCRAPBOOK

It will look like this.

Click the blue 'Make a copy' button.

## 1. LOGIN TO YOUR GOOGLE ACCOUNT

The download includes a PDF with step-by-step directions and a link page. When you click the link you will automatically be asked to make a copy of the file to save to your Drive. Open your Drive to see the copy inside the folder titled, Tpt Purchases.

**2. CUSTOMIZE YOUR COVER** Delete the existing text and type student or class name.

# TEACHER DIRECTIONS INCLUDED

**3. LEARN ABOUT THE COUNTRY** Students click the flag on any slide to learn about the country.

**4. TYPE ON THE SLIDES** Students delete the existing text that says, "Type here", then type their own text.

**5. ADD PHOTOS** To add pictures to the pages, select "insert image" from the toolbar and select the picture you wish to use. Pictures will need to be previously saved to a folder on your computer. I recommend uploading a class picture and several pictures you have taken throughout the year to a folder that you "share" with your students in your class Google Drive.
