# Daily Grammar Practice

## Daily Routine

**Tuesday** Partner practice & worksheet

**Wednesday** Center activity

**Thursday** Reading passage & writing activity

**Friday** Assessment

## PREFIXES

Second Grade Grammar  
L.2.4.B

**Monday**

- Minilesson

\*Each day's lesson & activity is designed to take 15 minutes.

1. Project the teaching PowerPoint. Introduce the weekly grammar skill. Read the lesson slides with students.
2. Follow the minilesson with whole group practice. For the first practice slide, call on a student to read the first word and tell if it has a prefix or not. The next student slides a check or X to the word. The next two slides are additional practice slides to help students determine the meaning of words with prefixes. These p slides can take the place of the first option, or they can be used as additional practice to reinforce the skill throughout the week.
3. Students work with a partner for the partner practice slide. Students use a journal, scrap paper, or whiteboards for the writing portion of the slide.

**Tuesday**

- Practice worksheet

1. Review the minilesson slides if needed. Project the Talk About It slide for students to review further.
2. Students complete the practice worksheet. Two options are included. You could use both during class time or send one home for homework or extra practice.

**Wednesday**

- Task Card

Students continue practice using task cards. Use the cards as a literacy center or place them around the room for students to "roam the room" to complete with a partner. Another option is to spread the cards onto desks.
