*Each day's lesson & activity is designed to take 15 minutes.

1. Project the teaching PowerPoint. Introduce the weekly grammar skill. Read the lesson slides with students.
2. Follow the minilesson with whole group practice. For the first practice slide, up to 32 students can play. Call on a student to read the first word on the list and tell if it is a pronoun or not. The next student slides a check or X to the word.
3. Students work with a partner for the second practice slide. Students use a journal, scrap paper, or whiteboards for the writing portion of the slide.

Tuesday

- Practice worksheet

1. Review the minilesson slides if needed. Project the Talk About It slide for students to review further.
2. Students complete the practice worksheet. There are two worksheet options to choose from.

Wednesday

- Task Cards
Grammar Game

Students continue practice using task cards. Use the cards as a literacy center or place them around the room for students to "roam the room" to complete with a partner. Another option is to spread the cards onto desks. Students complete the card and pass it on to the next student. Students can complete the cards in any order.
